Bid Amendment No. 3

Dear Sir/Ms.:

Please make the following changes to your bid package.

In the Notice to Contractors, delete the sentence “*Bids will be accepted only from contractors who responded to the Departmental RFQ for Geotechnical Drilling and Test Boring Services.*”, and replace with the following sentence “*Bids will be accepted only from contractors who have been prequalified by the Department to bid on Geotechnical Drilling and Test Boring Services, or those firms that include their Geotechnical and Test Boring qualifications information in the bid package.*”

Also delete the sentence “*All other Bids will be rejected unless they are accompanied by a Qualifications package.*”, and replace with the following sentence, “*All other Bids will be rejected.*”

For information purposes, the following firms are the only firms who have been prequalified to bid on Maine DOT Geotechnical Drilling and Test Boring Services to date:

Maine Test Borings
P. O. Box 320
Brewer, Maine 04412

Great Works Pump & Test Borings
P. O. Box 491
Ralingford, NH 03869

Northeast Diamond Drilling
104 Harpswell Rd
Brunswick, Maine 04011

Consider these changes prior to submitting your bid on July 9, 2003.

Sincerely,

Bruce R. Carter
Contracts Engineer
